

# Increase your Visibility with Custom Splash Screens

## ...Embedded on your DICOM CDs!

### Market your facility with a custom transition page on all your DICOM CDs

When the recipient loads the CD, your facility's custom splash screen autolaunches, and stays on the screen until a selection is made. You may include any combination of links, such as:

- Promote a new scan, or modality
- A link to your facility's web address
- Logo and/or Contact information for your facility
- A link to launch the viewer(s) of your choice
- A link to launch the reporting feature
- Help or "About Us" information
